Chevy Connectivity & Technology: Infotainment System

I bought me 2013 Volt on April 20th. It has been in the shop for more than 10 days on 5 different occasions with the exact same problem and to date no solution. Each time they have updated the software, rebooted the system and each time I have had to re-enter all my saved data. I depend heavily on my GPS to tell me how long it will take to get from one place to another as I am a bit of a road ...
