Accounting Coach Pro : Accounting - reddit

First post on this sub. I'm a freshman accounting major and was wondering if accounting coach pro is worth it to get a head start on my courses? I've read through some of these threads and know these courses can be tough. Thanks in advance.

Accounting coach pro worth it? : Accounting

AccountingCoach Pro vs Learn Accounting for Free (Paid)? Advice. I was looking to invest in one or the other of these in order to refresh my memory of my accounting classes I have taken. (Financial Accounting and Managerial Accounting).

AccountingCoach.com Review - Your Accounting Questions ...

If you are planning on going into professional accounting as a career, you are going to need an Associate's Degree in accounting at a minimum. The responsibility placed on an accountant for even a very small business is just too important for an employer to hire someone without formal training and a credential of competency.
