The second step in the ACLS study guide will be to access the Quizzes and Scenarios department located in the left-hand navigation. In this section start with all of the ACLS Quizzes and then work your way through the megacode simulator.. The quizzes and megacode scenarios are multiple choice tests that will challenge your knowledge and prepare you for ACLS certification testing.

ACLS is built heavily upon the foundation of BLS. A large percentage of this course content is structured around the concept that the ACLS student has a strong understanding of the BLS material. Many of the test questions in the ACLS exam are BLS based. Please refer to the BLS study guide or BLS course material as part of your review process.
