AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES sets the standard for students trying to successfully understand the American government. It examines current issues in American politics, focusing on the importance of American governmental institutions, the historical development of governmental procedures and policies as well as on who governs in the United States and to what ends.

~~American Government: Institutions and Policies 16th ...~~

Founders believed that neither national nor state government would have authority over the other because power derives from the people, who shift their support. New plan had no historical precedent. Tenth Amendment was added as an afterthought, to define the power of states; Elastic language in Article I: necessary and proper
