Ap biology essay questions by topic | Sales Architects

I was sitting next to the chief reader of the AP Biology essays and we're reading some sample essay questions and one person wrote. "If my hypothesis is right then I'll get good results." That's a crappy hypothesis; that person got a point. Somebody else had go on about because this is a photosynthesis essay question.

AP Bio Essay Questions Flashcards | Quizlet

The AP Biology exam has two large essays and six short answer questions that make up 50% of your score. For example, if a question asks you to describe mutualism, the grader is going to look for a definition of mutualism to award a point, and then an elaboration of mutualism, like an example, to give an additional point.
