usually made of metal such as steel and are often coated for protection against corrosion. Many hand winches have a brake or self-locking mechanism for safety or holding a load in position.

Boat Anchor Manual Winch

Get Free Boat Anchor Manual Winch

Anchor winches, also known as anchor windlasses, enable boaters to raise and lower their anchor with reduced difficulty and strain. These are usually aftermarket items, and making the right selection is determined by the style and size of the boat, anticipated anchoring conditions, and the type of ground tackle to be used.
