Specifications-of-the-International-DT360-Engine-It-...

Is this the same engine? or are there differences in the two? My truck came with a Dt530e and the new one I found is only called a Dt530, both engines specs are pretty much the same and the emission standards are of the same year. I'll be calling the seller monday morning for all this info but this waiting around bugs me, thanks for any help!
