elements will also supplement Winnicott's ideas in the explanation of the maternal metaphor. Once an understanding of the phenomenon of therapist as mother has been determined, I apply this phenomenon to other psychological theories in hopes of finding out what good enough therapy, or a good enough therapist is.

REVIEW: Finding Space: Winnicott, God, and Psychic Reality ...

Ulanov expands Winnicott's theory of transitional space - space between self and other - to include the space between an individual and the divine, and draws concrete implications from his theories for worship, prayer, doctrine, spirituality, the concepts of gender in theology, and the role of psychology in discovering God.

Finding Space : Ann Belford Ulanov : 9780664230500

Donald Winnicott (1896-1971) was a London paediatrician who studied psychoanalysis with Melanie Klein. Although accepting Klein, he viewed the key aspect of healthy development as rooted in relationships and micro-interactions with other people, thus taking particular interest in Object Relations Theory .
