

Five Animals Qi Gong

Five Animals Qi Gong
Qigong (, ch'í kung (, and chi gung are Romanized words for two Chinese characters: qi (气 氣) and gōng (功). Qi (or chi) primarily means air, gas or breath but is often translated as a metaphysical concept of 'vital energy', referring to a supposed energy circulating through the body; though a more general definition is universal energy, including heat, light, and electromagnetic ...

Qigong - Wikipedia
Qi is the central underlying principle in Chinese traditional medicine and in Chinese martial arts. The practice of cultivating and balancing qi is called qigong. Believers in qi describe it as a vital force, the flow of which must be unimpeded for health.
