One of the keys to succeeding as a real estate agent is exploring every avenue when looking for profitable deals. In fact, being able to consistently identify high-potential investment properties is the single most important skill that agents need. Needless to say, achieving this is predicated on mastering the property search process and always thinking outside of the box.

What You Say Matters - Tom Ferry
Selling a home "for sale by owner" (FSBO) can be a time-consuming challenge.It's not as difficult if the market is moving fast and inventory is snapped up as soon as it becomes available, but finding buyers otherwise can be tough without professional help. The FSBO process is strewn with tasks that you must complete correctly or the whole deal could fall apart.
