ManualsLib - Makes it easy to find manuals online!

Once you know what you device actually own, you can start looking for the manual online. Most of the time, the easiest place to find instruction manuals is from the manufacturer's website. Visit their site, go to any "Support" or "Customer Care" sections, and see if there's an option somewhere for downloading manuals.

These operating system manuals are marked alongside the iPad model with which they debuted, however, you should use the manual that corresponds to the version of iOS you use rather than your iPad model. Most iPad users are now on iOS 9, so if you are unsure of your version, download the iOS 9 manual.
