~~Inheritance (Dominion Book 1) eBook: Lissa Kasey: Amazon ...~~

Seiran Rou's life is complicated—he's the only male in the world allowed to take magic classes in a female-dominant society, his vampire boyfriend, Gabe, is hinting that he wants more, and his mother is demanding a grandchild. But when a co-worker...

~~Inheritance by Lissa Kasey - OverDrive (Rakuten OverDrive ...~~

As the only male studying magic in a female dominant society, Seiran Rou's life is already on a precarious perch. Then he finds a dead co-worker on his doorstep, and Sei realizes someone is trying to set him up for the fall. It could be anyone including his own mother, a powerful witch and leader of the Dominion, the ruling body of elemental magic. Sei's only saving grace. As the only male ...

Lissa Kasey has 36 books on Goodreads with 20978 ratings. Lissa Kasey's most popular book is Inheritance (Dominion, #1).

~~Inheritance (Dominion Book 1) - Kindle edition by Lissa ...~~

What if you were hiding an incredible amount of power and only releasing it would save the man you loved? Someone wants Seiran's power brought to the light and is pulling strings, murdering witches, and stealing power to force his hand.

~~Inheritance (Dominion Book 1) eBook: Lissa Kasey: Amazon ...~~

Lissa Kasey is easily one of my favourite authors not only for her imagery but the emotional development of her characters. Inheritance is set in the supernatural world of witches, vampires, shifters, etc. with the angle of female witches in power and male witches being oppressed.

~~Book Review: Inheritance (Dominion #1) by Lissa Kasey | Mboten~~

Lissa Kasey has done her reading before developing Seiran's world. We have a little of Jennifer Estep's elemental assassin, a little of Laurel K Hamilton's posh vampire lairs and necessary heirs, Keri Arthur's sexual freedom, Patricia Briggs' shifters and Chloe Neil's magical world. But Seiran isn't a composite.

~~Inheritance (Dominion Book 1) eBook: Lissa Kasey: Amazon ...~~

Lissa Kasey is a fabulous world builder, a talent that is obvious in this book. Dominion is a world inhabited by vampires, lycanthropes, humans, and witches. It is mainly the witches, or one in particular, that is the focus of Inheritance, although one of the vampires plays a lead role, also.

Lissa Kasey. Lissa Kasey is more than just romance. She specializes in depth characters, detailed world building, and twisting plots to keep you clinging to your book reader. All stories have a side of romance, emotionally messed up protagonists and feature LGBTGA spectrum characters facing real world problems no matter how fictional the story.
