Thích Nhất Hạnh - Wikipedia

Sangha is a Sanskrit word used in many Indian languages, including Pali (saṅgha) meaning "association", "assembly", "company" or "community". It was historically used in a political context to denote a governing assembly in a republic or a kingdom. It is used in modern times by groups such as the political party and social movement Rashtriya Swayamsevak Sangh.

Personality Theory Created July 7, 2017 by user Mark Kelland In contrast to both the often dark, subconscious emphasis of the psychodynamic theorists and the somewhat cold, calculated perspectives of behavioral/cognitive theorists, the humanistic psychologists focus on each individual's potential for personal growth and self-actualization.

Personality Theory | Carl Rogers, Abraham Maslow, & Henry ...

This is a personality theory textbook, with an emphasis on culture. In addition to traditional topics, chapters on Eastern and religious perspectives as positive approaches to adult personality development are included. There are also two appendices, one on personality disorders and another on African perspectives on personality.
