KUBOTA 3 cylinder Diesel Engine Manuals & Parts Catalogs

To my knowledge, the LA1/LX9 were never offered from GM with a manual transmission. If you are going to mate these engines to a manual transmission, you will need the neutrally balanced flywheel from an '88 Fiero. Here is a list of manual transmissions that will work with these engines: Fiero Getrag 5 speed Fiero Isuzu 5 speed Fiero Muncie 4 speed

3400/3500 Swap Information - Pennock's Fiero Forum

Rebuilding an engine is one of the core fundamentals of hot rodding, and as the LS series of engines becomes more and more popular, we felt that it's important to revisit the basics. Today, hot rodders of all types - even small-block Chevy veterans - are building their very first LS engines.

Wärtsilä 32 Product guide

All other engines will carry a 90-day limited warrantee from the date of purchase. *Engines do not come with any accessories Because engines are purchased to meet customer's mileage requirements, once ordered, they are considered a custom order and are therefor not returnable.

Rebuilding the Chevy 3.4L/3.5L Engine - Engine Builder ...

Other than the gasket issues that are so common in this and other GM engines, it is a decent engine. We had a 2002 Impala with this engine but got rid of it after the gasket issue at about \$40k (just out of warranty), and the tranny started worrying me around 50k (might have just needed a fluid change, but I wasn't taking chances).
