In fact, some teachers don't grade math journals at all, using them only as a record of students' progress and thinking. If students know you are regularly reading their math journals and you care about what they wrote, you won't have to assign a grade to get them to give their full effort.

*Grade 4 HMH Go Math - Answer Keys Common Core - Grade 4*  
Everyday Mathematics is divided into Units, which are divided into Lessons. In the upper-left corner of the Study Link, you should see an icon like this: The Unit number is the first number you see in the icon, and the Lesson number is the second number. In this case, the student is working in Unit 5, Lesson 4.
