Britannica

Melanie Klein née Reizes (30 March 1882 - 22 September 1960) was an Austrian-British author and psychoanalyst who is known for her work in child analysis. She was the primary figure in the development of object relations theory. Klein suggested that pre-verbal existential anxiety in infancy catalyzed

Essay Example

Melanie Klein (1882-1960) started from Freud but developed her own approach. In doing so, she was opposed by Anna Freud, which split the British Psychoanalytical Society into separate camps. She used observation of children at play with selected toys (her 'play technique') as a substitute for the adult
