EVERYTHING You Wanted To Know About My Cheap SL55's Manual Transmission Swap

The only reason I'm doing this conversion is because a manual trans was NEVER an option for Canadian cars, so in goes a 6 speed manual instead of the 5 speed manual that was available in Europe. It might be cheaper and less headaches for you to just buy a C350 with the transmission already there!

Mercedes Manual Transmission Swap

10) Install transmission - make sure you have a helper or a jack to lift the front edge of the oil pan to install the manual transmission. Either jack the transmission into place or put the trans on your stomach and "bench press" the transmission into place. Benching the transmission into place is far more accurate and much more effective.
