Stories of Your Life and Others (Audiobook) by Ted Chiang ...

Dear Mr. Chiang, After seeing Arrival, the movie which is based on your novella, Story of Your Life, I was eager to read the source material and reserved this collection at the library. The novella did not disappoint, and I went on to read the other stories in the collection. My reviews of all eight stories follow.

Stories of Your Life and Others by Ted Chiang

Stories of Your Life and Others delivers dual delights of the very, very strange and the heartbreakingly familiar, often presenting characters who must confront sudden change—the inevitable rise of automatons or the appearance of aliens—with some sense of normalcy. With sharp intelligence and humor, Chiang examines what it means to be alive in a world marked by uncertainty, but also by beauty and wonder.

Story of Your Life - Wikipedia

"Containing the inspiration for the movie Arrival, Stories of Your Life and Others is a sublime collection that puts Ted Chiang's virtuosic implementation of science front and center. More than that, each story is mathematical in its approach and structure, but the content somehow always transcends the human experience to ask profound questions about existence, emotion, and desire.

Stories Your Life Others Chiang

Chiang is a writer who takes both aspects of the phrase science fiction seriously. The challenge of Louise Bank in "The Story of Your Life" is to find a way to communicate with the aliens, called heptapods. Chiang is well-versed in semiotics. In other stories Chiang very well distills mathematical theory ("Division by Zero").
