Print the PDF: Main Idea Worksheet No. 3 answers After reading each write-up, ask students to demonstrate their understanding of the main idea by answering multiple choice questions. To further develop their skills, ask the class to write a few sentences explaining why they chose the answer they selected as well as why the other responses were not correct.

Gravity and Motion - Lowry Science

The main idea is the importance of potatoes in America. It never mentions Ireland or any Potato Revolution (A). (B) is both incorrect-the passage states 100 lbs., not 50-and regardless of accuracy, is a detail, not the main idea. Readers already know French fries are made from potatoes (C), a detail the passage assumes.
