Written by a practicing  
psychiatrist, Unhinged  
discusses many of the  
problems in that field,  
such as rampant  
marketing and  
deceptive information  
from drug companies,  
the limitations (and  
benefits) of the DSM,  
that few psychiatrists  
actually practice any  
form to talk therapy,

the profession should  
be reformed, *Unhinged*  
is vital reading for all  
those in treatment or  
considering it, as well  
as a stirring call to
